Introduction

Grow in Love is based on the *Catholic Preschool and Primary Religious Education Curriculum for Ireland* (2015). This curriculum was approved by the Irish Episcopal Conference and was granted the Decree of *Recognitio* by the Holy See in 2015. While the *Grow in Love* series has been designed for use with the single class, many teachers are required to teach in a multiclass situation. This publication seeks to assist such teachers. It is a practical manual consisting of six teaching schemes designed to cover all possible multiclass situations between Junior Infants/P1 and Second Class/P4, in both the Republic of Ireland and Northern Ireland.

The complete *Grow in Love* series consists of eight separate programmes, one corresponding to each of the eight classes in the primary schools of the Republic of Ireland, and to each of the seven classes in the primary schools of Northern Ireland. This publication seeks to integrate materials from a number of programmes from Junior Infants/P1 to Second Class/P4 in order to facilitate the teacher in a multiclass situation and to present the combination in the format of a teaching scheme.

The six schemes in this manual cover all the possible splits in this part of the school:

Two-way split

Scheme 1: Junior Infants/Primary 1 and Senior Infants/Primary 2

Scheme 2: Senior Infants/Primary 2 and First Class/Primary 3

Scheme 3: First Class/Primary 2 and Second Class/Primary 4

Three-way split

Scheme 4: Junior Infants/Primary 1, Senior Infants/Primary 2 and First Class/Primary 3

Scheme 5: Senior Infants/Primary 2, First Class/Primary 3 and Second Class/Primary 4

Four-way split

Scheme 6: Junior Infants/Primary 1, Senior Infants/Primary 2, First Class/Primary 3 and Second Class/Primary 4.

One of the consequences of combining programmes is that the original sequencing of lessons is altered. Inevitably, this leads to a shift of focus in the theme(s) within a particular year. A new sequence of lessons has been outlined for each term of each year in all of the above combinations. To ensure a level of continuity in the development of the new sequencing, care has been taken to group together lessons with similar or equivalent themes.

Where it was felt that certain lessons were 'core' to the overall thrust of a particular year's work, these lessons were repeated in subsequent years. This repetition is most likely to be found in the lessons relating to sacramental preparation.

In these schemes, 'GIL' means *Grow in Love*, 'T' means term, 'L' means lesson and 'SL' means Seasonal Lesson. Much more detailed information on content, pedagogical approach and doctrine, and teaching and learning strategies, is given in the teacher's manual for each year.

Scheme 1

Junior Infants/Primary 1 and Senior Infants/Primary 2

Cycle

Two-year cycle

Core Resources

- *Grow in Love* Teacher's Kit for Junior Infants/Primary 1
- *Grow in Love* Teacher's Kit for Senior Infants/Primary 2

Points to be noted

- It is possible to teach this straightforward split class by teaching *Grow in Love* for Junior Infants/P1 during the first year and then *Grow in Love* for Senior Infants during the second year. Alternatively, such a split class could be taught the two-year cycle of *Grow in Love* for Junior Infants/P1 and *Grow In Love* for Senior Infants/P2 using the following scheme, which mixes both programmes.
- There is a choice of lesson offered in Year Two, Term 1, Lesson 8.
